Customer Reviews

“La Casa en Mango Street ha dado voz a todos los que hemos hecho de Estados Unidos nuestra casa, pero sin olvidar de donde venimos | un libro inolvidable e indispensable.” —Jorge Ramos “Un clásico | Una de las raíces principales del gran florecimiento de la literatura hispana en Estados Unidos. Esta pequeña obra se ha labrado a sí misma un gran espacio en la estantería de la literatura de Estados Unidos.” —Julia Álvarez “Cisneros ha sabido explotar su rica herencia [hispana] | y nos seduce con su prosa sobria y precisa, y con la creación de personajes inolvidables que querríamos hurtar a sus páginas. Cisneros no sólo es una escritora talentosa sino absolutamente esencial.” —The New York Times Book Review “Profundamente conmovedora... encantadora y tierna.... Como la mejor poesía, abre las ventanas del corazón sin una palabra malgastada.” —Miami Herald “Sandra Cisneros sabe que el corazón se puede romper, y que también puede alzarse y volar como un pájaro. Cualquier historia que ella decida relatarnos, debemos de seguir escuchándola por mucho tiempo.” —Washington Post Book World “Poética y perspicaz... la prosa fragmentada de Cisneros evoca los sueños y las memorias de sus personajes y es testigo de su extraordinario talento.” —Los Angeles Times Book Review --This text refers to the School & Library Binding edition.

good book thanks

Beautiful paperback

Purchased for my daughter. A classic for any person interested in reading someone not part of the usual author's assigned in school.

So good :)

I was very happy to find this fine reading of this work on . Now I will be able to use it in my Spanish classes! as you know, the novel is wonderful, and the translation and reading are excellent. I am glad it was available. Now -when is some publisher going to do "Y no se lo tragÃ la tierra"??un saludo desde la fronteraramito

This a beautifully written book which I read ages ago in English and now am enjoying again, reading in Spanish this time. Characters and scenes are colorful, humorous, poignant and poetic.

Very general profile of characters, even main character.

Great book!
