Customer Reviews

Explains things well about passive income ideas.

I've read more comprehensive books but this wasn't the worst. I wouldn't really recommend it though unless you wanted a quick over view.

Easy to read but will outdated soon

Great Read. Highly Recommend!

An information which we can improve ourselves and work that should give us income. We should be

able to plan and spreading our resources to become successful in this kind of options. All is useful all we have to do is choose what is the best for us. this strategies is really helpful and interesting. All we need is hard work to fulfill it.

I grabbed this book its only because I want to learn the techniques about passive income. We need to have knowledge on how to manage and keep our income stable .I've learned a lot form it because this is an easy guide module.

I've been searching for ideas on how to start generating different streams of passive income, and this short book provides much information on this very subject. Thank you.

Great book, great content! It was very thoughtful of the writer to write this book and consider both those who have little capital and those who have much. The author was able to give advice on what the reader can do with a little amount of money and a huge amount of money. It is a wonderful book, very interesting!
