Synopsis

Using this CD on a daily basis for 30 days has produced wonderful results for many people. As you continue to play this over and over, the ideas are repeated and permeate your consciousness to help shift thinking patterns. May you have the success that so many others have had.Â Louise discusses how resentment, criticism, and guilt create and maintain illness. She shows that forgiveness is the key to releasing resentment, and resolving diseases such as cancer.Â Louise also presents a loving visualization with soothing music, aimed at changing old attitudes of long-held resentment and dissolving disease. This material is excellent for practitioners and therapists who treat people with cancer.

I THINK THAT THIS CD IS WONDERFUL. IT CAME TO ME AT A VERY IMPORTANT TIME IN MY

LIFE WHEN MY DAUGHTER WAS DIAGNOSED WITH CANCER & IT WAS VERY HELPFUL FOR ME TO HERE ALL THE POSITIVE AFFIRMATIONS & FACTS ABOUT HOW LOUISE HAY HEALED HER SELF OF THIS DISEASE. IT GAVE ME HOPE & I'VE SHARED IT WITH OTHERS INCLUDING MY DAUGHTER.

The information and Louise is wonderful. Her voice alone is a soothing and encouraging. However, the "background" piano music is simply too loud and drowns her out in some places. If there were a fix I'd like to know. Otherwise just be prepared. The CD is great.

Louise has such a calming energy and helps you to release any negative energy you have surrounding your health. I highly recommend anyone with cancer or even without to get this cd. She is truly HEALING.

listen closly

Louise Hays teachings have changed my life for the better; along with the Abraham teachings; very similar. So thankful to have discovered her years ago & try to remember on a daily basis!

Soothing and healing

Great meditation, but recording levels are terrible.

Just ok
