# **Fiqh Of Menstruation: Birgivi's Manual Interpreted**

## Synopsis

Birgivi's Manual Interpreted Complete Fiqh of Menstruation & Related Issues BIRGIVI'S MANUAL INTERPRETED is the explanatory translation of a major Islamic legal work on menstruation, lochia, and related issues. Answering hundreds of questions needed by the Muslim woman practicing her din, this book provides accurate information and practical arrangement of charts and texts making it an important reference for every Muslim family. The primary text, Dhukhr al-Muta'ahhilin [Treasure for Those with Families] by Imam Muhammad al-Birgivi (d. 981/1573), is the most authoritative work on menstruation in the Hanafi school, which the majority of Muslims follow. The work has been commentated upon by a number of traditional scholars, the best known of whom is Imam Ibn 'Abidin, the central scholar of the late Hanafi school. The text and its commentaries have been studied by Hedaya Hartford and Ashraf Muneeb under various sheikhs from Syria and Turkey, among them Sheikh Muhammad Amin Siraj of Turkey, a traditional Hanafi scholar who has an unbroken chain to Imam al-Birgivi himself. Sheikh Siraj gave Hartford and Muneeb his authorization to teach this volume in a written ijaza that attests, in his words, to their "full comprehension and meticulous understanding" of the work. PRAISE FOR BIRGIVI'S MANUAL INTERPRETED "A handbook of what a Muslim woman needs to know about her monthly period and related questions. The detailed content of this major work should make it useful for anyone teaching women's fiqh." -Nuh Keller "The most comprehensive treatise found on the subject in the Hanafi School. A must read for every genuine student. The method of explanation is unique, and the charts are unparalleled." -Tahir Anwar, South Bay Islamic Association

## Book Information

Paperback: 208 pages

Publisher: Amana Publications (2010)
