Customer Reviews

As always I am extremely satisfied with Sherri Baldys books they are just too adorable to pass up I am hoping I am all caught up on her books now! These little girls have gorgeous big eyes and are lots of fun to color. I'm having a blast playing with my markers and coloring pencils with these cute designs. There are 2 of each image & they are single-sided. The paper is about the same as most books. The images are beautiful & adorable at the same time. Super cute, like the rest of the series from Sherri Ann Baldy. These make my heart melt:) I just love Sherri Baldy coloring books. Sure

wish she'd make more like cupcake and treats and coffee themed! This book was the perfect addition to my coloring book collection. I don't know what page to color first. Love Love it

My Besties Chibi and Kawatt by Sherri Baldy is so cute and fun to color. All the pictures are just adorable and love how she always puts two prints of each page. Either you and a friend can color or simply just color both prints yourself.

Another great book by Sherri Baldy. That's all that can be said after this many books.
