The Legend Of The Easter Egg, Newly Illustrated Edition: The Inspirational Story Of A Favorite Easter Tradition

Synopsis

One April morning when the air was soft and sweet, a boy and his sister went outside to gather eggs. "Easter's coming," the sister said. "Let's pretend we're hunting Easter eggs." "What are Easter eggs?" the boy asked. When Thomas's older sister Lucy falls ill, Thomas goes to live with the Sonnemans in their candy shop. He gets to eat peppermint sticks, fill candy jars, and weigh chocolate on the tippy scales, but he misses Lucy. When Easter comes, Mrs. Sonneman gives Thomas his first chocolate egg and Thomas learns the true meaning behind Easter eggs, the empty tomb, and the hope found in Jesus. This classic story of faith, love, and wonder is sure to be a treasured reminder of the miracle of Easter.

Customer Reviews

Lori Walburg is a freelance editor, a writer for the NIV Kid's Devotional Bible, and the author of The Legend of the Easter Egg. She lives with her family in Grand Rapids, Michigan. Richard Cowdrey's favorite things to draw and paint are the things that reflect the awesomeness of God and His creation. From vast landscapes to the littlest bug on a leaf, Richard marvels at the beauty in the details. Richard's bestselling children's books include Legend of the Candy Cane, Bad Dog, Marley and A Very Marley Christmas.

Already we know that we love Richard Cowdrey's illustrations, and he did a great job with his version of Dandi Daley Mackall's *The Legend of the Easter Robin* and now an equally great job of Lori Walburg's *The Legend of the Easter Egg*. This is a beautifully done glittery cover! *The Legend of the Easter Robin* illustrated by Richard Cowdrey includes beautiful full-page full-color illustrations that tell a historical and traditional tale for Easter time. Carrying over characters from other Lori Walburg Legends of stories, this book shows a perspective from a little boy with an ill sister with scarlet fever. In this story, the tale of resurrection is told through the curiosity of a little boy and beautiful images as he learns to pray, prays and hopes for health for his sister and for Easter to come. There are also dyed eggs and the relation of the rolled-away stone and new life. This is perhaps my favorite one yet! Review product, honest opinion.

cute Easter book

My absolute favorite Easter book for kids.

Wish I could give zero stars. Book was written in and pages were torn out. Story was really bad anyway. Returning.

My daughter loved this book so much and still asks to have it read to her. It's a beautiful way to incorporate the true reason behind Easter along with the Easter candy. The illustrations are absolutely amazing and they helped with understanding what the story is about. I would highly recommend this book. It was one of my best investments.

We have "The Candy Cane", and this book is also very good. Love having these kinds of books for my kids that teach there is more to it than just a commercialized holiday.

Not what I was expecting

This was an excellent reminder of what Easter is truly about and a sweet story about a little boy discovering that.
