Customer Reviews

Wonderful and very helpful reference.

Great item as advertised.

Great read, insightful information

I have used this for 20+ years and I bought one for a fellow Minister.

This arrived today and is almost pocket sized. At a glance it will fit all of my needs in helping us start our wedding ministry.

amazing

I just did my first wedding with the help of this little book and it proved to be an excellent resource for me. I would highly recommend it to anyone who needs a little help. There are several weddings

inside to choose from, or as I did, to take elements from different ones and put them together.

good
