Modern School For Xylophone, Marimba, Vibraphone (Morris Goldenberg Classics)

Synopsis

The "Goldenberg book" has been used by generations of orchestral mallet players to develop their skills. As well as studies and etudes, this book includes excerpts of major orchestral repertoire for keyboard percussion instruments. This edition, edited by Tony Cirone, includes phrasings that were inherent in the music but not specifically written out. Stickings are also addressed: the original stickings are in uppercase letters, and the added stickings are in lowercase. This book is the primary source for keyboard percussion players to learn technique and orchestral repertoire.

Book Information

Series: Morris Goldenberg Classics

Paperback: 132 pages

Publisher: Alfred Music; 1 edition (October 1, 2002)

Language: English

ISBN-10: 075790890X

ISBN-13: 978-0757908903

Product Dimensions: 0.2 x 8.8 x 11.8 inches

Shipping Weight: 15.2 ounces (View shipping rates and policies)

Average Customer Review: 4.8 out of 5 stars 18 customer reviews

Customer Reviews

I had to play these etudes as a Percussion Major at Crane School of Music in 1980 and '81 ! I didn't nail them all, but they were GREAT for my chops. It's fun to work on them now again. I WISH I had the time to practice all evening NOW, like I could THEN ! Maybe someday this decade, God willing. Percuss on ! Geoff Cunningham B.A. Music Ed., S.U.N.Y. Potsdam , NY 1982

My daughter's percussion instructor requested she buy this. We had purchased her a wooden marimba as she prefers mallet percussion to any other. Her instructor is in professional level orchestras and is training her in techniques she will use in the youth orchestra she is in.

The orchestral excerpts are icing on the cake for this old standard that still holds the bar high. It doesn't get any better when it comes to studying 2 mallet style.

Good quality, arrived on time and just what I wanted...THANKS

My son's drum instructor recommended it!

Great for sight reading/beginner book to marimba!

Easy to use

Was a gift, the kid loved it.
