Vinegar Boy: Encounter Christ Through The Dramatic Story Of Vinegar Boy

Synopsis

Abandoned by his parents and shunned from society, Vinegar Boy is certain he'll be adopted once Jesus removes the ugly birthmark that scars his cheek. But when he carries the drugged vinegar wine to a crucifixion, he finds himself face to face with the only One who can heal his face. Is there still time for a miracle? A gripping story of a boy's dramatic encounter with Christ on the cross, this book is a classic work of fiction that has inspired thousands of Christians for decades. This newly repackaged classic is sure to be a hit with all kids and adults too.

ALBERTA HAWSE was a playwright, free-lance writer, and avid storyteller. She authored many books including *The Call of the Green Bird*, *The Birds of Alberta*, and *Vinegar Boy: Encounter Christ through the Dramatic Story of Vinegar Boy*.

While on a long car drive, I heard this presented on the radio as a play. As the radio station began to lose its signal, I had to pull over so that I could hear the end. Very powerful. The book is almost as good as what I heard (I wish the script was available.) A fresh way to share about the Easter story. The "vinegar boy" is adopted and loved, but has a visual imperfection which makes him scorned and ridiculed. He wants to meet Jesus and ask for a miracle.

I loved it

This a gripping story!

I first purchased this book when looking for a book for our church Lenten study. I could not put the book down once I started reading the story. The book would lend itself well to a small group study as well as one that is excellent as an individual read. I recommend this book particularly during the time of Lent. I have ordered two more to give as Easter presents.

Book for all ages- seeing Christ's life and death thru the eyes of a boy- a Classic that many could read. This was on my son's 6th grade reading list and I read too and really enjoyed and have now given as gifts to friends and their children too.

Well written, emotional, and intense Christian fiction utilizing the events revealed in the Bible surrounding the death of Jesus. This book will bring tears to your eyes and smiles on your face as you walk the streets of Jerusalem with the Vinegar Boy.

Good read. Never gave a vinegar boy a thought before, I now have a new perspective...very well written...I just now finished the book..

Written for older children, but I enjoyed it as well. As a Christian, I loved seeing this story unfold about the times during which Jesus lived on earth.
