Customer Reviews

There were about six misspellings in the foreword, so I just gave up. A copy editor is sorely needed for this title. I tried to overlook the errors, but was gritting my teeth and just couldn't .

i like the guide . easy to navigate with in that region of Italy . pleasant to read .no spelling mistakes. it was just what i needed for my trip. i stayed 2 days in Naples . i found the information for restaurants helpful.
