Elements of Language: First Course

Great book for my middle schooler. He is able to go to this book before asking us the answer. It is easy for him to navigate and find answers.

Very good

Very pleased with this book. It was in perfect physical condition, and I love the content. I am 100% satisfied.

Great service!! Book exactly what we expected.

this book was very clean!!!

This book was in great condition and all the pages were very helpful for homework completion. My daughter's school requires this book and, rather than have her carry it back and forth, I bought this

one for an extra copy at home. It is very helpful when completing the reading selections and homework questions that are required for her class.
