# Dark Enemy Redeemed

## Synopsis

Onboard the Anna, Amanda suspects that something fishy is going on. But when her investigation of the peculiar all-female Russian crew fails to uncover anything other than more speculation, she decides it's time to stop playing detective and face her real problem - a man she shouldn't want but can't live without. Will Amanda find a way to reconcile her feelings for Dalhu? Will Dalhu find a way to redeem himself in Amanda's eyes? Will Andrew find Bhathian's long-lost lover and child?

Amanda and Dalhu's story culminates in Dark Enemy Redeemed, and the characters embark on a new adventure in Book 7: Dark Warrior Enthralled.

ASIN: B071Z2C4NK

Best Sellers Rank: #116 in Books > Romance > Gothic #120 in Books > Literature & Fiction > Genre Fiction > Gothic #967 in Books > Audible Audiobooks > Romance

## Customer Reviews

Simply the best--so far! Syssi and Kian are planning their wedding, Amanda is struggling with her conscience, and Andrew is having fun with Bridget while investigating the disappearance of the mysterious Patricia--the alleged mother of Bhathian's child. Despite this book being significantly longer than the others, I got into the story so much that I was shocked when it ended. I already miss the characters. Hopefully, I won't have to wait for number 7 for as long as for this one--though it was certainly worth the wait. Absolutely fantastic! A must read!

>Book Review "Dark Enemy Redeemed">I am an independent reviewer. This is the 6th book in the Children of the gods series and ends in an HEA for one couple, while a new Dormant is introduced. Amanda and Dalhu have their happy ever after, after Dalhu accepts a torture to atone for being involved in the death of Mark back in book one. Amanda convinces herself she needs

Dalhu to submit to this type of punishment in order to forgive him, yet is awash in guilt over the pain he will endure. I am glad Amanda's story is over. She is not a pleasant character to read about. Andrew hooks up with the clan's doc, but instead of his love, she is just a hook up. There is a bit more humor in this book with Kian's bachelor party. The most disappointing thing was the wedding between Kian and Syssi. For such beloved characters, the event was totally glossed over. The anticipation for this wedding has been 2 books long, but other than the funny song Kian and Syssi march down the aisle to, no other details or feelings are shared. There are new story lines and characters introduced, involving Andrew. No new progress was made with the enemy story line. This book is appropriate for an adult audience. I am giving the book 4 stars.

All I can say is please hurry with the next book. I read all the books so far that was available in this series in two days. Could not put them down and had to have the next one. The sex scenes are good but not made to be the highlight of the books. There is a very good story of love and power in each book. I cried when Dulha took his punishment so he could be redeemed, This whole series is captivating and unforgettable. Please, make the next book available soon. Great read and fantastic writing.

I liked the story of Amada and her fated mate being from opposite sides of the family . I also like this series and will continue with the next book .the only thing that could have made it better would have been if the minor grammar but no biggie . I still enjoyed it very much . I would recommend reading the books in their order otherwise it will leave you confused and unsatisfied.

There is nothing else to say except if you don't love this series you probably need to read car manuals! The entire series is suspenseful, hopeful, dark, violent, soft, romantic and positive. Hot characters who share the burdens of an entire species.

The Children Of The Gods series is awesome! Great characters, storyline is interesting, intriguing plotlines. I like that the main characters still play a roll in each book, as new characters are added.

Best part was when Syssi and Kian headed down the aisle with Hooked on a Feeling playing. It was good, but a little of Amanda goes a long way.

I love this collection. When I finish one I'm ready for the next book. But I'm not looking forward to the

last book. I highly recommend this collection
