The Gospel According To Phil is a small, brilliant collections of the words and wisdom of Chicago Bulls coach Phil Jackson. After seven seasons as head coach of the Bulls, this unconventional leader has enlightened Chicago's players and fans with his spiritual approach to coaching (and winning). Drawing from his many encounters with the press. The Gospel According To Phil captures the coach in his own words. Whether meditating on basketball or life, his wisdom is the stuff of presidents, authors, and even coaches. The Gospel According To Phil is must reading for all Bulls fans! -- Midwest Book Review

Very short read. Wasn't exactly what I expected, but was a decent read regardless.

Boy, did I get gypped on this one ! The fool who wrote this cobbled together a handful of quotes and suckered a publisher into printing it. I should have read previous reviews before I wasted my money.

What an interesting man Phil Jackson is. I love how he looks at the world and the people in it.

Whether you are a basketball fan or not, whether you know the first thing about Zen beliefs, this is a

great book for anyone interested in the concept of team. In a very entertaining way, this book shows how the principles of team and love can improve your life on and off the court. Plus, you will truly appreciate the success of Phil Jackson regardless of your loyalty to the Chicago Bulls.

This book is great if you need to motivate groups of people and focus on goals. It offers practical advice on how to not prejudge situations and people. It helped me focus on success.

This book is not what I expected. This book is truly Unauthorized, Phil Jackson would not accept this book. It is a book of random quotes that are pretty useless. I would suggest his Hoops book instead. That is a great read.

Don't prejudge. Don't focus on irrelevant problems. Have a goal

this is a great book by a great man. Who can relate with anyone!
