My favorite coloring book! Wonderful quotes!

This is an awesome book. Beautifully illustrated!!

I love this coloring book. The illustrations are gorgeous and there's lots of detail to color.

Beautiful and enjoyable coloring book well worth the money you invest into it.

As usual, zendoodle coloring delivers a great coloring book. The paper is thick enough that gel pens

should not bleed through. The prints are all single-sided, but there are quotes printed on the back of every page. The designs are open enough to be able to take thicker markers, but intricate enough to keep a person interested in the page. This is considered an adult coloring book, but the images are not too challenging for older children. The sayings are inspirational, but there are no religious or biblical quotes, so this book is appropriate for all belief systems. The pages are perforated and suitable for framing.

I LOVE this book!! I'm tearing out the pages and using them for positive affirmations for labor/birth with my childbirth education students. They're perfect!! The parents can color them to keep their hands busy during class or on breaks, then hang them at home where they can see them every day. Thank you for such beautiful art!!!
