Love So Deep

Synopsis

Banned from the wagon train Samantha Foley wanders through the Colorado Mountains. An early winter storm arrives leaving her at its frozen mercy. Ruggedly handsome Mountain Man, Patrick McCrery comes to her rescue. Patrick, half white and half Indian, he fits in neither world. He lives a solitary life as a trapper. He certainly does not want to get involved with the beautiful Samantha Foley. Knowing she is leaving at the first spring thaw, Samantha tries to guard her heart but sometimes her guard slips leaving her totally and utterly in love with her handsome hero. When she is finally left in town at the bottom of the mountain, she can't help but gaze at the mountain trail wishing with all her heart, Patrick will appear. Can love shine through distrust, discrimination, and accusations? Only if it's deep enough. Interview with Kathleen Ball's Love So Deep your first Historical Western Romance? Yes it is. I changed gears and decided to write a sweet romance. Historical westerns have always been my favorite. Right now the price is right. It's free in the US. This one is not about a Cowboy No, it's about a Trapper who lives alone. He's Native American, well half and he's not really part of either world. What's your favorite part of writing romance novels? The love story, the raw emotion of falling in love and hoping your feelings are reciprocated. I also love a happy ending. I always hope for marriage and babies for my characters but it's usually a fun, emotional ride getting them to that point. What other books do you have that are historical westerns? I have a Mail Order Bride Series that has gotten a lot of attention. The first book is Cinderella's Bride and it's only 99 cents. The second one is Keegan's Bride. The third is Shane's Bride. The fourth is Tramp's Bride. The fifth is Poor Boy's Christmas- new for 2016.

Customer Reviews

The book pulled me in right away! Loved the main characters, Patrick and Samantha. Well written secondary bad characters all played their parts very well. Little Brian grabbed my heart right away and his character added a lot to the story. All in all, a very enjoyable book. No sexual content. JudyE

This is the story of Samantha Foley, traveling west with her parents to start a new life. They have purchased property, along with most of the other travelers in their wagon train, all partnering with the leader of that train. Along the way Samantha's mother falls ill and dies, leaving only Samantha and her father to continue the journey. Shortly after her mother passes, while on a hunting trip to find food for the travelers, Samantha's father falls from his horse and is dragged to his death. Samantha vows to carry on and reach their original destination and make a life for herself. Her fellow travelers do not approve of her traveling alone and try to force her to marry an elderly gentleman in the train, also traveling alone. When Samantha refuses to marry the old man she is banned from the wagon train and left with only the clothes on her back, a small amount of food, and a canteen of water. While following the train through the mountains a bad winter storm blows in and Samantha is left alone to die. Mountain fur trapper Patrick McCrery comes upon Samantha lying in the snow. Nearly frozen, he takes her to his cabin to warm her and take care of her until she is strong enough to take to the nearest town to continue on her journey. Patrick is a very solitary man, and likes his life that way, for good reason. The mountain winter has several surprises in store for Samantha and Patrick, both good and bad, and their limits will be tried and tested on more than one occasion. Both Samantha and Patrick are very strong characters and you are immediately immersed in their story. They have both been through many trials in their lives and at times they appear to crumble, but always bounce back, fighting for what they believe in and eventually for their future. The story ebbs and flows smoothly while bringing the characters emotions to life. There were times when I wanted to string Patrick up from the nearest tree, then he'd

seem to redeem himself, and Samantha would start to come apart. I felt every emotion throughout this book, fear, hope, joy, sorrow, they are all there, wonderfully expressed by the author. The secondary characters are also very well written and add a lot of interest to the story, keeping it moving to its conclusion. I highly recommend this book to anyone who loves Historical Western Romance, you will not be disappointed.

I loved this clean Western, wagon train, love story. It is well written with well fleshed out characters, an active plot that keeps you turning the pages. It is a love story as Samantha finds not only a man of integrity, and a child, to love. All three of them have no one, until they have each other.

Samantha, orphaned on the wagon train as first her mom, then her dad dies. Single women are not allowed on the wagon train so she is kicked off, and left to the wilderness and mountains. Patrick, a half-breed mountain man finds her and keeps her safe. Then Brian a little boy shows up in the mountains hiding in Patrick's barn. Brian was in an orphanage in Denver until he was kidnapped and kept for free labor, half starved, never loved until Patrick saved him. Patrick, a half-breed, half white, half Indian, hated for being. They beat him near to death because he befriended a white girl as a school boy, he left the town, became a mountain man, only going into town to trade or sell his furs and stock up supplies.

Patrick was content to be himself, what he never expected were complications. Complications of a female variety, he has his life but is immediately drawn to the woman. To further complicate matters a small child in the snow. Samantha lost it all and was thrown out of the caravan, and swindled of all her money. No prospects and no future she is feeling less than zero. Can the handsome stranger be her savior. So when a child claims her as his mother all bets are off. Can these two people find a love so deep? I have loved everything that Kathleen Ball has written. First Rate!!!

Samantha is traveling on the wagon train with her parents. She is kicked off the wagon train after her parents die. She struggles in the wilderness, till she is found by Patrick. Patrick is a halfbreed mountain man. He takes care of her and in turn she cooks and cleans. Then Patrick finds A little boy, named Brian. They have many adventures including Indians, snowstorms, and evil men who want to take Bryan away and hurt Samantha. But Patrick helps protect them and falls in love with Samantha and with Bryan they make a family. Historical romantic adventure.

Kathleen Ball's stories are sweet and romantic. I'm glad she entered the historical romance genre, because this story is amazing. Like her contemporary romance heroes and heroines, Patrick and Samantha are strong, well-developed characters. Kathleen had my heart hurting and smiling, sometimes at the same time. Another job well done, Ms. Ball.

A man was out checking his traps when he found a girl who had been thrown off a Wagon Train after her parents' deaths taking all her possessions. He took her back to his cabin to care for her then he found a young boy in the barn. I loved this story with all its twists and turns as life went on. A must read for those who enjoy historical western romance kindle books from at a special price and from a delightful author who keeps me wondering what next for the characters.

As far as romance novels go, there are few that actually make me cry. But this one was different. I found the story touching. Sometimes it was painful in its sorrow and I cried along with the heroine. But I loved it still and read most of it in one sitting. The author is someone I just recently discovered, but I know I'll continue to read her books as long as she writes. I think you'll like her book too.
