KIYA: Rise Of A New Dynasty (Kiya Trilogy Book 3)

Synopsis

Praise for KIYA: "I absolutely recommend this story. If you want a good read with the mix of history, love, Egypt and a smart heroine, this story is for you." ~Goodreads Review by AnaPINTut has grown into his position as Pharaoh, but he is a wild young man. Naomi fears for him, not only because of his recklessness, but because he has put his trust in Ayâ "the man determined to destroy Naomiâ "despite her and Horemheb advising against it. Meanwhile, death and slavery hang over Naomi and her family. With fear of the booming Hebrew numbers causing talk of enslaving them, conscription is reinstated and Naomi fears for the lives of her other children. Especially since Ay's children are now adults, and just as dangerous as their father. They threaten to take Itani, conspire against Tut, and push for power. But Tut is in trouble. While Ay's daughter draws Horemheb's attention, and Naomi deals with the struggles of her family, everyone's distraction could spell death for the young Pharaoh.

Customer Reviews

"Kiya" was a lovely historical fiction read. Katie Hamstead had a special knack to portray all her

characters to that they come alive on the pages. This was an easy read but one that I did not want to put down. I look forward to reading Book 3.

I was surprised that I enjoyed this book as much as I did. it's really not my type of book. However with the attention to detail and the imaginative skills of Katie Hamstead, it was a very good read!

This is of course nothing like the true story so i read it just as any other book. Truly the real story is better. Neffertiti lived many years after her husband died. It has recently been discovered her name changed after receiving a higher rank. Her daughter did marry Tut. A fun read.

I enjoyed the first book in this series, and this as the follow up was ok, although not quite as exciting. I look forward to the third in the trilogy, and hope that, although, we pretty much know how it will end, the journey to get there will have unexpected twists and turns

Fascinating story about ancient Egypt. Interesting parallels between the royal life style and life of the farmers. The story of King Tut's early life and his ascension to the throne and all of the intrigue involved. Thoroughly enjoyed the tale.

Good continuation of the Kira series. Stays true to characters. Looking forward to last of the trilogy.

This trilogy was impossible to put down, even worth sacrificing sleep to stay up late reading. I was constantly surprised at the turns the story took, making historical figures into more real people. Highly recommended.

This book brings some of the known facts and great fiction together for a story that is hard to put down. At some point, I think most mothers wish for the strength, patience, and wisdom that Naomi portrays.
