Lonely Planet Singapore (Travel Guide)

Synopsis

Lonely Planet: The world's leading travel guide publisher Lonely Planet Singapore is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. Visit a hawker centre for Hainanese chicken rice and nasi goreng, marvel at the futuristic Gardens by the Bay, or shop 'til you drop on Orchard Road; all with your trusted travel companion. Get to the heart of Singapore and begin your journey now! Inside Lonely Planet's Singapore Travel Guide: Full-colour maps and images throughout Highlights and itineraries help you tailor your trip to your personal needs and interests Insider tips to save time and money and get around like a local, avoiding crowds and trouble spots Essential info at your fingertips - hours of operation, phone numbers, websites, transit tips, prices Honest reviews for all budgets - eating, sleeping, sight-seeing, going out, shopping, hidden gems that most guidebooks miss Cultural insights give you a richer, more rewarding travel experience - food, history, architecture, politics, people, language Free, convenient pull-out Singapore map (included in print version), plus over 20 colour maps Covers Chinatown, the CBD, Sentosa Island, Colonial District, Marina Bay, the Quays, Orchard Road, Holland Village, Dempsey Hill, Botanic Gardens, Little India, Kampong Glam, Pulau Ubin and more eBook Features: (Best viewed on tablet devices and smartphones) Downloadable PDF and offline maps prevent roaming and data charges Effortlessly navigate and jump between maps and reviews Add notes to personalise your guidebook experience Seamlessly flip between pages Bookmarks and speedy search capabilities get you to key pages in a flash Embedded links to recommendations' websites Zoom-in maps and images Inbuilt dictionary for quick referencing The Perfect Choice: Lonely Planet Singapore, our most comprehensive guide to Singapore, is perfect for both exploring top sights and taking roads less travelled. Looking for just the highlights of Singapore? Check out Pocket Singapore, a handy-sized guide focused on the can't-miss sights for a quick trip. Looking for more extensive coverage? Check out Lonely Planet's Malaysia, Singapore & Brunei guide for a comprehensive look at all the region has to offer, or check out our Discover Malaysia, Singapore & Brunei, a photo-rich guide to the region's most popular attractions. Authors: Written and researched by Lonely Planet and Cristian Bonetto. About Lonely Planet: Since 1973, Lonely Planet has become the world's leading travel media company with guidebooks to every destination, an award-winning website, mobile and digital travel products, and a dedicated traveller community. Lonely Planet covers must-see spots but also enables curious travellers to get off beaten paths to understand more of the culture of the places in which they find themselves.

Customer Reviews

Lonely Planet produce some of the best travel guides and this is no exception. Have used this one and previous editions over the years both as a visitor and while living there and discovered that there is much much more to Singapore than just being a stopover or shopping destination. Singapore is an incredible city-state and this Lonely Planet guide can help you explore it and experience its full richness and diversity.

This book was the perfect guide for a recent 10-day stay in Singapore. It packs a lot of useful, concise info into a small book and includes some small, non-touristy attractions. The organization of the book wasn't always intuitive to me and some of the logistical info wasn't always clear - minor issue, though. A few of the items listed - in particular some of the small shops - were no longer there when we visited in Oct 2016. Overall, it's an excellent book and great asset if you're new to Singapore.

I think Lonely Planet series books are the best way to prepare for a trip to a country or city. I've gotten used to the format and can find exactly what I want. Unfortunately, if you take a book for each country you will visit, you'll be carrying a ton of books. Best to study the books before your trip,

make notes, and leave the book in your library rather than take it with you. A lot of backpackers photograph the important pages of the book and simply carry the information in their smart phones. Smart!

Always love Lonely Planted. Bought this to help explore our new home. It's great!

very comprehensive guide to singapore, i especially appreciated the tips on current customs and etiquette. highly recommend to plan your next adventure to this island nation paradise

Great guide for a three week trip.

Even though all of this info is online, it's nice to have it in book form, plus we use it as a bucket list of sorts :)

Really useful with lots of reliable and accurate information.
