NIV Revolution: The Bible For Teen Guys

Synopsis

The Revolution Begins with You! In case you didn't know, you're in a war. Your enemy is dead serious. He wants you to think the battle raging around you is no big deal. It is a big deal. Your life, your relationships, your world---it's all a big deal, and it takes a big, God-filled heart to make a difference. It's time to stand up and fight for what is right. Time to be a revolutionary---living your faith on the edge, challenging things that need to be challenged, discovering new possibilities, and helping others to discover them as well. Fill your hands with Revolution. It'll open your eyes, strengthen your courage, and guide you like a compass toward a life worth living. But this is a Bible! Yeah---a Bible like none other you've ever read, for today's teenage guy going toe-to-toe with a hard-hitting world. A world God knows all about. He's the authority when it comes to understanding girls, sex, communication, drugs, divorce, relationships, success, parents, popularity, peer pressure and everything else guys face. He also knows what makes you tick, he loves you more than you can ever imagine, and he wants you to experience a life of purpose, power and impact. The features in this Bible will strengthen you and hone your spiritual fighting edge. Battlelines show you how other teen guys deal with relationships, sex, drug abuse, and other real-life issues. Match-Ups pit the good guys against the bad guys of the Bible to uncover winning---and losing---approaches to life. Challenge Notes do just that: challenge you to reach for everything God wants you to be. And there's plenty more---enough to help you make a kingdom-difference in the world around you. A Revolution of the heart isn't about how confident, strong, or popular you are. It's about what God can do in you and through you. He can revolutionize your relationships, your opportunities, and the whole course of your life. He can use you to change the world around you. Are you ready to find out how? Then look inside, and let the revolution begin. Revolution features:

I bought this a gift to my 12 yr old son. He loves the book and I love it too!! The extra lesson in each chapter is very helpful not just for my son but for me as well. It's a great way to get your kid interested in reading the Bible. Thank God I found this Bible.

I bought this as a Christmas gift for my grandson to search for and find answers to his questions. The real-life, relevant situations boys face growing up are addressed from a Christian perspective, to provide "Christian food for thought" in a world trying hard to deny God. This Bible is written for boys/teens/young men, and I recommend it.

I purchased this Bible for my girlfriend's 14 year old son for Christmas. I reviewed a lot of Bibles trying to find the right fit. Presenting a Bible to a teenager is not the easiest of task especially if you want them to use it and read it. Let's be honest. I believe a standard Bible may not interest them, be overwhelming to them and/or hard to understand. I wanted something that he could recognize with, be understandable, and show application. Some Bibles I looked at were too kiddie, some too old. I decided on this one and I am glad I did. If you say the standard leather bound KJV is the way to go for a 14 year old boy then that is your opinion, but here are the reasons I like this Bible. First, I think the cover is appealing for the age group. It looks rough and tumble with BOLD Revolution on the front. (That should spark some interest) Also, many teen Bibles say "boys" and boys do not want to be called boys, at least I didn't. It says "Teen Guys", that's better. Second, I really loved the contents and teaching points. It presents the Word, scenarios and difficult situations one can recognize with at that age and talking points (Battlelines), Good Guys vs. Bad Guys, etc. Honestly, I am a little jealous. I wish I would have had a Bible like this at his age. Oh, and yes he actually reads it. This would be great for a Dad with a group of boys as a study group, boys church groups, BSA, etc. I think anyone looking for a Bible for a young teenage boy battling through life should have this Bible to help him develop his relationship with God, learn about Jesus and his teachings and just general things teenage boys face. Give this Bible a try. I do not think you will be disappointed!

My grandson loves this bible, but the light brown print makes it a little hard to read. Also it does not have Song of Solomon, but rather calls it Song of Songs. Wasn't sure if misprint or the author changes this to read that way. I prefer ESV so not sure if this is an NIV difference or not.

My son loves it. I find the print too small and paper too thin.

I bought this for my children, they love it. Great for preteens too.

My kids love this. Great purchase at a great price! Will buy from again.

my son loves this Bible and so do I
