Customer Reviews

The regents review packet was ok. It really didn't help my son that much but it might be able to help out someone else. Everyone learns different.

So far I love it.

I like the format of the materials and the systematic approach they take when addressing the skills for each part of the test.

Pretty good product

Not what I thought it would be. Hoped to have used for my students. Probably will just file it in a draw.
