Quick Starts For Young Choirs: Activities And Ideas To Focus Your Singers

Synopsis

(Expressive Art (Choral)). Get your singers' attention with Quick Starts! Begin each class period or rehearsal with five minutes of creative, singer-tested activities to help focus and develop musicianship. Warm-up the body and voice with muscle movement activities, moving while you sing, and vocal exercises. Sharpen your singers' focus with games, tension breakers and ear training. Develop music skills with sight-singing, music dictation, music writing, theory and more. As educators and directors, Cristi Miller and Angie McKenna share the ideas they have used in their classrooms and rehearsals with great success. Complete with graphics and music examples, Quick Starts will get each rehearsal off to a great start!

Customer Reviews

A must-have for every choral director who works with young singers! The students LOVE these activities!

This book rocks. This is the book that I wished that I had when I was first started teaching chorus. Fun fun fun. Every activity that I've tried, the kids have loved, from movement, ice breakers, tension busters, team movement. Get it and have a blast

"Chocolate cookie" warmup with movement is an absolute hit, other than that not really innovating, children don't care much about any of the activities or warmups.

We have used several ice breakers and things out of this book. Great ideas

I teach music and choir and this book was a perfect addition! It is full of ideas, games, singing fun, sight reading ideas.

Can't believe the authors did not get arrested for copyright infringement. This book has tons of awesome ideas but they are from other sources that haven't been noted. Anyway, I use this book everyday. It's fantastic.

Lots of fun to use with my younger kids. Very easy to try new songs!

Singing has become so much more fun with this product. Great find. I love it and my students do as well.
