How Successful People Think: Change Your Thinking, Change Your Life

Synopsis

Gather successful people from all walks of life-what would they have in common? The way they think! Now you can think as they do and revolutionize your work and life! A Wall Street Journal bestseller, **HOW SUCCESSFUL PEOPLE THINK** is the perfect, compact read for today's fast-paced world. America's leadership expert John C. Maxwell will teach you how to be more creative and when to question popular thinking. You'll learn how to capture the big picture while focusing your thinking. You'll find out how to tap into your creative potential, develop shared ideas, and derive lessons from the past to better understand the future. With these eleven keys to more effective thinking, you'll clearly see the path to personal success.

Customer Reviews

"If you want to go places you've never been before-you have to think in ways you've never thought before. This book will teach you how!" (Ken Blanchard, coauthor of 'The One Minute Manager' and 'Whale Done!' on Thinking For A Change) "Maintaining an encouraging tone and a down-to-earth writing style honed from his more than thirty previous titles, Maxwell details the impact and practical value of eleven kinds of thinking..." (Publishers Weekly on Thinking for a Change) "Masterful...Will change the way you think. I encourage you to buy it now." (James M. Kouzes, coauthor of 'The Leadership Challenge' on Thinking for a Change)

John C. Maxwell is a #1 New York Times bestselling author, coach, and speaker who has sold more than 24 million books in fifty languages. Often called America's #1 leadership authority, Maxwell

was Identified as the most popular leadership expert in the world by Inc. magazine in 2014. And he has been voted the top leadership professional six years in a row on LeadershipGurus.net. He is the founder of The John Maxwell Company, The John Maxwell Team, and EQUIP, a non-profit organization that has trained more than 5 million leaders in 180 countries. Each year Maxwell speaks to Fortune 500 companies, presidents of nations, and many of the world's top business leaders. He can be followed at [Twitter.com/JohnCMaxwell](https://twitter.com/JohnCMaxwell). For more information about him visit JohnMaxwell.com.

Good for anyone looking to change their perspective.

I really enjoyed reading this book. It was very thought provoking. Not only does it help you think, it gives great examples and practical suggestions to help you apply them. I would recommend this book to anyone who wishes to challenge their current thought process, and find new ways to approach thinking.

You need this.

Good read. As a salesperson, my mind is always on the go and since much of my income is commission based, it's good to be reminded of something greater than myself and my immediate success. Light someone else's path and you can be sure some of that light will lighten your path.

Very good book. I recommend for any student of leadership (and we all should be).

John Maxwell has done it again. He seems to be able to take a challenging topic and make it appear simple. He's done that time and again. The idea of "challenging the status quo" is one NOT to be missed. His anecdotes and personalized stories make his points come alive. I would encourage leaders AND followers everywhere to read this book and THEN put the ideas into action. Your organization (be it a school, a small or large business, church, or even a marriage/family) will be better for your efforts. The challenge is to move beyond thinking and on to action. What are you waiting for ?

Maxwell is a leadership man, we get that. Some might say it's just a rehash of everything else he has written, and they would be partially right. But some things bear repeating and refreshing. How

Successful People Think is a nice bite-size book for reminding ourselves how to achieve more in life. It also makes an appropriate gift for people in your life that you wish to see excel and grow.

Great book. Started reading as soon as I opened the package. Look forward to reading through the rest of it. Some great sound advise for not only business but practical life situations.
