Anything You Need (Heaven In My Heart (pre/early Teen Series) Book 2)

Synopsis

Anything You Need: Heaven in my Heart Series (for pre and early teens), Book Two Brianne's seventh-grade year has gotten off to an interesting start with her best friend moving away. She is excited about spending the weekend with Sarah at her new house, but in seeing some of the positive effects the move has granted her best friend, her feelings of discontentment about her life begin taking over her thoughts, resulting in some difficult days back home. Her involvement in the school play gives her a change of pace, and hearing Sarah has made a new friend at her school makes Brianne happy. But some surprising developments in her own circle of friends leave her feeling excited one moment and confused the next. Will the delightful moments outweigh the difficult ones and leave Brianne with a new best friend? *Anything You Need is the second book in the "Heaven in my Heart" series for pre and early teen girls. Books in this series are recommended for ages 11-14, and are meant to be read in sequential order. There are a total of eight books in the series.

Brianne, 12, is going to visit Sarah, her friend who has moved away. Silas is moving into where Sarah and her family used to live. Brianne has very supportive parents who converse with her in a mature way. They have talked about not walking or being in a secluded place with a boy. In the beginning of the book Brianne is feeling like a slave though as she is not getting paid to look after her four younger siblings one weekend. Resentment sets in but as she prays about it later, she realizes that she was wrong. Sarah is having a hard time fitting into her new school. Austin, Joel and Ryan are some of the other boys in this story and they are very respectful of the girls. There are true friendships here depicting how the teenage years should be like. They look out for each other and pray realizing that they can't get through life on their own. I highly recommend this book for girls. It is gentle, healthy reading where topics are discussed (no sex, just hand holding, kissing, boyfriend, girlfriend). I do suggest reading them in order as there are some things talked about in here that if you have not read Book 1 (Closer than Ever) will really not make any sense. EXCELLENT example to be setting our girls.

This book picks up where "Closer Than Ever" leaves off. And when I say that, I mean RIGHT where "Closer Than Ever" leaves off--like the next weekend. I wouldn't recommend reading it without reading "Closer Than Ever," because I felt like the first book did a lot with character introduction. Aspects that could be annoying to some people:- There are a lot of different characters who we see Brianne interact with, and certain relationships seem to change rapidly--but let's face it, at twelve, you see so many different people, and friendships DO change rapidly!- It's low-level reading, no great vocabulary, not much need for reading-between-the-lines--but that makes it more true to life for a twelve-year-old; some conversations are really simple.- There's no main conflict that lasts throughout the novel; it's more about the gradual growth of a young girl. So some chapters could seem like they don't contribute to the plot, but still give a glimpse into the character's lives. Brianne is a mild-mannered twelve-year-old, and we don't see angsty outbursts. She has one or two "girl moments." There's also a nice blend of spiritual growth. I like that these books talk about the everyday struggles of a girl who has committed to living her life by certain standards. You don't see her decisions and convictions tested, but you can see that she's made them. There are also some nice lines that come from Brianne's dad or Austin's dad (both pastors) that strike a chord, and are inspiring even to someone who's not a teenager. This book (and the others that I've read from "Heaven in My Heart") are short, and cover a very short length of time.

Really heart-felt. It is about a girl who is being strengthened in her faith with Jesus. She uses her faith to work through the hard things in life.

This book is awesome! I think any 10+kids should read it! IT IS AWESOME!!!!!!!!!! I would definitely recommend this book!

This book shows great love from God and how powerful his love is for us !! also loved how it fits perfectly with the first book.I can't wait to read the 3 book!!!!

cant wait to give these to my granddaughter
