Sound Innovations For Concert Band, Bk 2: A Revolutionary Method For Early-Intermediate Musicians (Flute), Book, CD & DVD

Synopsis

Sound Innovations for Concert Band, Book 2 continues your student's musical journey by teaching with segmented presentation of new concepts and introducing ensemble playing. Isolating concepts and teaching them individually helps facilitate understanding of the more advanced material.

Following the unique Sound Innovations organization, the book contains four levels, each of which is divided into several sections that introduces concepts separately and provides plenty of practice and performance opportunities to reinforce each lesson. Visit www.alfred.com/soundinnovations for more information. "Sound Innovations by Alfred Music is a dream-come-true method for beginning concert band and string orchestra. Its infusion of technology provides an open-ended architecture of the first order. This unique blend of time-tested strategies and technology offer a great foundation for a successful learning experience." ---John Kuzmich, Jr., BandDirector.com This title is available in SmartMusic.

Customer Reviews

Book required by school, price was cheaper then through school

I purchased this book for my grandson. He plays the tuba, and none of the music stores in town had this book. Well, they all had it... But not for tuba. I tried every store from Tacoma to Seattle...

Nothing. I was so glad when I found it on ! It was \$2 less than anyone locally wanted, and it arrived

a week sooner than I could have got it if I'd had a local store order it in. Plus, I didn't have to drive to the store! Do yourself a favor and just buy it here. You'll be glad you did.

Great band book. Came quick.

Product works well.

The cd and DVD are super helpful!

Bought for 7th grade band

Good product. Thanks!

Love it!
