The easy, exciting pattern stitches in Loom Knit Stitch Dictionary from Leisure Arts make it fun to expand loom knitting skills. The texture-rich and creative patterns may be used in place of plain stitches in projects such as hats, scarves, bags, afghans, and more. Again Kathy has given loomers simple, understandable instructions in an affordable book. I have all her books and have enjoyed using many of her patterns If you loom knit you need this book!

The loom knit stitch dictionary is a great tool. I have been practicing the stitches making little swatches. It's a great little resource. But wouldn't get it if you know nothing about loom knitting, it might be confusing to the novice. but there are some stitches that are easy, if you know how to knit

and purl, you will love this little book.

This is a very helpful guide for someone like me who is new to loom knitting and looking to expand the sorts of patterns you can make on knitting looms. The instructions are clear and easy to follow and the photos that show the resulting fabric swatches for each stitch are accurate and helpful.

This photos and directions in this book are wonderful! I had been using a round loom to make plain hats because that's all I knew how to make. This book has opened up a whole new list of possibilities. Wish I'd found it a long time ago!

I'm very picky about loom knitting books since a few of them are not written for anyone other than a seriously experienced knitter and/or loom knitter. This book is NOT one of those. Love it!!!!!!

I just find following the instructions difficult. YouTubes are better. There were good pictures to refer to. I will keep it for reference.

This is a great little book for the novice loom knitter. So glad I bought it. Tons of ideas!

MY WIFE LOVES THIS LITTLE LOOM DICTIONARY SHE HIGHLY RECOMENDS IT.
