Synopsis

Since 1993, Bryant Park has been the eventâ™s home, but in 2010 relocated to Lincoln Center. New York Fashion Week focuses on whatâ™s already been termed the "Golden Era" of Fashion Week, the Bryant Park Years. Eila Mell is a journalist who has spent many years writing about fashion, theater, and film and interviewing some of the biggest names in the fashion and entertainment industries. She has been tapped for her expertise by nearly a hundred television and radio shows, including The Insider, Hollywood 411, Dailies, and The Mark & Brian Show. Eila lives in New York.

Let me explain. I was expecting a fabulous book on fashion with some good photos from the runway, etc. But it is so much more. We are invited inside. There is an abundance of interesting information to read with each turn of the page, and I knew it wasn't going to be an easy thumb through merely to look at some fun fashion photos. I put it down immediately until I had some time to REALLY soak it all in and enjoy. What a great gift for anyone interested in fashion!

As a wardrobe stylist myself, I would highly recommend this book to any who is in the fashion field or who is interested in fashion especially the history of fashion. It documents the many designers showcased in the New York Fashion Week starting 1994 and recaps a highlight of each season.

I love my new hard-back, coffee-table book! I'm happy they decided to have Naomi Campbell on the cover, a photo taken during the time when she and the others (Linda, Cindy, Christy, etc.) were most popular, during the 90's. I love the old photos that were taken on the catwalk, progressing to the present, with current models/designers.

I love this book and I have 40 yrs of fashion experience. I would recommend it to any budding fashionista or model as part of what they should study. The book is extremely well put together, good quality paper, great photos and super interviews. I was very delighted and can't recommend it enough.

I saw this book at Barnes and Noble for full price. Checked on and the pricing was wonderfully less. I have no regrets about purchasing the book. It has great information and photographs. Very much worth the purchase. Arrived quickly and in perfect condition.

I highly recommend this book to all the fashion lovers!!!!

Amazing book. Exactly what I expected from Eila Mell. Finally was able to buy it for my Birthday. A must read!!!! A++++

If you're into fashion this is a must read book!
