Al Marlowe, freelance writer and photographer for outdoor recreation publications is a member of the Rocky Mountain Outdoor Writers and Photographers. Al is available for writing and photo assignments in the Rocky Mountain region. His credit include: American Angler; American Survival Guide; Arkansas Outdoors; Backpacker; Bird Dog News; Colorado Dept. of Natural Resources; Colorado Outdoors; National Wildlife Federation; Rocky Mountain Game & Fish; Rocky Mountain Streamside; and Western Outdoors.

Trail write-ups are a bit scattered and fairly incomplete.

Al Marlowe has "been there - done that" when it comes to the Flat Tops Wilderness Area of Northwest Colorado. He shows a love of this area, not only in his book, but because he comes back to the wilderness every year, as much as his busy schedule allows. Al is a wonderful person to know, and a true lover of the Flat Tops. I would recommend this book to anyone who is considering visiting the area. I used the book as a guide while filming "Island Of The Rockies", Sights and Sounds of the Flat Tops Wilderness during the summer of 1997.

This is very complete as a guidebook to the Flat Tops area. The information about each trail is good, and there are some nice pictures. Since the Flat Tops have such a large network of trails, though, it's sometimes difficult to find a description for a particular stretch. But overall, a nice guide.
