Customer Reviews

George Forty served for 32 years in the Royal Tank Regiment and was Director and Curator of the world-famous Tank Museum in Bovington, Dorset, England. He edited Tank magazine and wrote over 70 books. Jack Livesey worked for the Imperial War Museum's branch at Duxford, England, which has a large collection of British and Soviet military vehicles.

Ordered this for my boyfriend because he is a huge tank nerd. He loves it and says it's the nicest thing anyone has ever given him and he looks through it every day after work. The text is kinda small, so keep that in mind if that's an issue for you. Otherwise great purchase for the tank or general military enthusiast.
