Legalines On Torts, Keyed To Franklin

Synopsis

This study aid provides detailed explanation of the cases in the torts casebook by Franklin. The discussion of each case provides the facts of the case, issues, holdings, and the court's reasoning. This title includes cases that pertain to the negligence principle, the duty requirement, protection against nonphysical harm, causation, defenses, strict liability, trespass and nuisance, damages, intentional harm, privacy, defamation, and intentional economic harm.

Customer Reviews

These books are helpful to understand cases that can be difficult to decipher. This book helps you to get to the point.

This is one of the clearest and most approachable hornbooks out there. My torts class was vague and difficult to understand, so this book was essential in preparing for the final.
