Customer Reviews

Lace up your boots and head into Oregon's remote Wallowa Mountains. Explore this wonderland of more than fifty glacial lakes, miles of streams designated as National Wild and Scenic Rivers, hundreds of soaring peaks, and open meadows with elk, deer, bighorn sheep, coyote, black bear, and cougar. Climb Aneroid, Chief Joseph, and Matterhorn Mountains; hike the Eagle River, Cliff Creek, and Deadman Canyon; or visit Razz, Blue, and Bonny Lakes. Veteran hiker and outdoor writer Fred Barstad will introduce you to these trails and many more. Inside you'll find: up-to-date trail information; maps, photos, and elevation profiles; information on bears and cougars; difficulty, maintenance, and traffic ratings for each hike; access information to the Dihedrals climbing area. Whether you are planning a day hike or an extended backpacking trip, you'll find trails suited to every ability and interest in Oregon's Eagle Cap Wilderness. (6 X 9, 328 pages, b&w photos, maps, graphs)

A native Oregonian, Fred Barstad began hiking and climbing Oregon's mountains as a boy. He is an accomplished climber who has climbed in Alaska and Mexico. He lives in Enterprise, Oregon.

Good guide, I just wished for a little more in the way of designed hikes, with loops back, etc.

Enjoying it and using the book for planning. Well written and even fun to read.

Good start to learning about this awesome place. I've been visiting this place since 1976. AW

Nice overview of the area but it would be nice if there were maps included. It would also be nice to be able to search hikes by length or distance.

Great hiking guide for the Eagle caps, must have for the person trying to learn more about the area.

I love it :)

Not as easy to maneuver and use for backpacking planning as I had hoped, in comparison to other similar books for other hiking regions.

Practical and well organized. Can't wait to go!
