PreSchool-Grade 3 "A variation of a Louisiana song with a twist" "each day a new food is served as a faceless assortment of children come one by one to the table. Eventually, there are seven, with seven different dishes in front of them, a cat and dog underneath the table waiting for scraps, and a grandmotherly figure overseeing everything. Back matter includes a description of each dish and a recipe for Monday's red beans and rice. The simplicity of Kadair's bold, bright collages fits the text perfectly. The oblong format of this offering, with the words on the left-hand page and the illustration opposite, works well as the table gets pretty crowded at the end. A pleasing addition to Louisiana lore and a fun, light note for a unit on the state." Such a fun book! Be sure to find the song Johnette wrote so you can sing along.

I bought this book for my son to share with his preschool class in Texas as part of a Mardi Gras celebration. I love that it highlights some of our favorite Louisiana foods, but it's missing something. The first few pages are basically "Today is Monday in Louisiana. Monday red beans." The remaining pages continue with that same formula. The illustrations mirror what you see on the cover. There's no element of surprise, no humor, no rhyme, nothing that made it a frequent repeat read for our family.

What a WONDERFUL little book! My older grandchildren read it in Kindergarden, and I ordered it in August to give to my youngest granddaughter for Christmas. I've hidden it so well, that now I can't find it. I'm afraid I'm going to have to re-order the darn thing, but it's OK.....ABSOLUTELY worth every single penny!!!!

Love singing this to my precious Louisiana toddlersAt The Montessori Sch for Shreveport

Bought this as a baby shower guestbook for a co-worker who was having her baby in state, but moving next year. It was perfect to commemorate her Louisiana baby!

very classic LA book, the song is catchy!

One of our family favorites. The pictures are colorful. The kids love to read it. We borrowed it so many times from the library we had to buy it.

Simple book, but cute!
