Customer Reviews

I think that this is a great book for anyone to read from age 10 to 100 Earle really used words to express the characters' feelings. What I disliked about this book was that they swore too much. Other than that it was a great book. If you liked this book there is only one other book that Earle wrote. That book is Home Ice Advantage. Home Ice Advantage: Imagine living inside one of Canada's most famous arenas... Jake is determined to be a hockey star, and he might just have what it takes. But mounting pressure at home is beginning to threaten his dreams. Jake leaves his quite suburban life for the bustling streets of downtown Toronto, where he seeks shelter in Maple

Leaf Gardens.
