Men's Lives (9th Edition)

Synopsis

Understanding the experiences of men in U.S. society • Edited by two of the field's most prominent researchers, *Men's Lives*, 9th edition, reflects on the question "What does it mean to be a man in contemporary U.S. society?" • Organized around themes that define masculinity, this reader uses a social-constructionist view to examine how men construct masculinity within a social and historical context. • Learning Goals Upon completing this book, readers will be able to: Understand how different groups "working class men, men of color, gay men, older men, younger men, and boys" construct different versions of masculinity Examine the social roles of both men and women and the different forms that gender inequality can take Consider gender relations and how men and women relate to each other Understand how recent research by feminist scholars and pro-feminist men links to social change activism •

Michael S. Kimmel is Professor of Sociology at SUNY at Stony Brook. He is the author of *Guyland: The Perilous World Where Boys Become Men* (HarperCollins, 2008) which was featured on the Today Show, Good Morning America and featured on over one hundred radio and newspaper and blog reviews. His other books include *Changing Men* (1987), *Men's Lives* (8th edition, 2009) *Against the Tide: Profeminist Men in the United States, 1776-1990* (1992), *The Politics of Manhood* (1996), *Manhood: A Cultural History* (1996, 10th anniversary second edition, 2006), and *The Gendered Society* (3rd edition, 2008). He co-edited *The Encyclopedia on Men*

and Masculinities (2004) and Handbook of Studies on Men and Masculinities (2004). He is the founder and editor of Men and Masculinities, the field's premier scholarly journal, a book series on Gender and Sexuality at New York University Press, and edited the Sage Series on Men and Masculinities. He lectures extensively in corporations and on campuses in the U.S. and abroad. He lives in Brooklyn, New York with his wife, Amy Aronson, and their 10 year old son, Zachary. After receiving his B.A. and M.A. from C.S.U. Chico, Michael Messner received his Ph.D. in Sociology at U.C. Berkeley. He is professor of sociology and gender studies at the University of Southern California, where he has worked for 25 years. His teaching and research focuses on gender and sports, men and masculinities, and gender-based violence. In 2010, the USC Center for Feminist Research released the most recent update of his longitudinal study, Gender in televised sports. He is the author of several books, including most recently It's all for the kids: Gender, families and youth sports (California, 2009), and King of the wild suburb: A memoir of fathers, sons and guns (Plain View Press, 2011). Messner is currently researching men who work with boys and men to stop gender-based violence. In 2011, the California Women's Law Center honored him with its Pursuit of Justice Award, for his work in support of girls and women in sport.

Deep sociological study of just what it says: Men's Lives (in 20th+ Century) America and elsewhere. This is not light reading. It was a 400 level, senior year course in sociology that I took tangential to another degree. Having had experience in the humanities and social sciences, I was able to keep up, or at least adjust to the topic and tone of the writing and sociological framework. If you have no experience or framework from which to look at this, you'll likely gain little understanding or benefit from the book.

Great text. It offers various scientific articles based on feminist ideology

Great class got an A

Just needed this book for school. It's in good condition.

Exactly what I needed for my women's sociology class.

Received on time and as described. I am very happy with my purchase!! It is exactly what I

needed...Product was in great condition!

got the job done for school but very boring read

I had this book for SOC381, Men and Masculinity.great read, some of the articles are hard to read (just a tonne of quotes and statistics... no depth)I reccomend it
