DEEP COVER CLEVELAND: 99 Little Known Things About Northeast Ohio, Vol. II (Volume 2)

Synopsis

The one-year-old book series, Deep Cover Cleveland : 100 Little known things about Northeast Ohio, has made residents look at our region with new eyes. Volume I has brought to light important area contributions to prehistory, art, education and more that have sadly languished in obscurity. The newly released volume II concentrates on the 20th and 21st Centuries, and shows that even noteworthy recent Northeast Ohio history, such as Youngstown Kitchens and the Cleveland countercultural comics connection, is not often enough recognized.
