Reminding Avery

Synopsis

Most of the guys in my town had me marked as off limits. My dating history was slim to none, until Dylan. He didnâ€™t let labels deter him from sweeping me off my feet. The day Avery Stanton took a chance on me is that day my life changed. Nothing else mattered but her. All I ever wanted was for her to be happy. I just wanted to love her, no matter how much distance was between us. Dylan Knight wrecked me. He made me fall in love with him and then took it all away. Now Iâ€™m back, and I canâ€™t deal. How do I pretend that he no longer owns my heart when all my heart does is scream his name? Averyâ€™s back and I know I have a fight on my hands. I remember every minute, every touch, every kiss, and every breath of our time together. Now I need to remind her.
