Uncrate, Issue 02

Synopsis

For Issue 02, we flew down to Cuba to do some long-awaited "research" on all of the cigars and rum the island has to offer, and then returned stateside to dig up even more. We then headed out to southern California to visit the garage-oasis of Mercedes Motoring and obsess over their immaculate collection of classic Benzes. Inside the issue, you'll also find edited guides full of machetes, submarines, golf equipment, floral shirts, sneakers, watches, and skateboards, among other gear.
