Customer Reviews

We stay almost exclusively at Karen Brown recommended hotels and B&Bs - never travel to a location she covers with out a copy of her book(s) - you can always count on her information to be accurate and helpful - we have had many amazing experiences because of her books

We have used this book in the past and found the recommendations terrific. Unfortunately either we were sent a bad copy or something has slipped in production. The book we got had many of the pages still attached to one another, making the book virtually useless without starting an arts and crafts project. Sad.
