Dr Lin Loughheed is author of more than 30 EFL/ESL textbooks. He is a past member of the Executive Board of TESOL, the international EFL/ESL professional organization.

Only reading and listening. That's great, but I like to work on ALL four skills.

Practice tests given in this textbook are slightly harder than those that are being sold in main Seoul bookstores, but still real TOEIC exams are way harder than Barron's textbook. That is the only reason I give only 4star review.

Book condition was not very good but it was helpful to study for the actual test , CD is useful for listening practice

this days I am so busy with work, I was get the books, it is good.

Really good for basic listening skills.

Excellent

Good!
