Customer Reviews

Holt Chemistry textbook only. Slightly worn.

It is for my daughter, and the book is very big, with illustrations, the periodic table is in it (obviously).

The book was great- the condition was as described.

Book condition was exactly as it was posted. Price is worth supplier's service.

Bought used but looked basically brand new!

When I took my class I found the information to be a bit convoluted.

El libro en perfectas condiciones!

Excellent condition

ThanksGeorge
