## Customer Reviews

DK publications are a long-time favourite. Generously full with color photos and vivid descriptions, they are our "go-to" books to not only spotlight locations of interest, but get us enthused for an upcoming trip. This book on Dublin was no different - we drove all around Ireland and the entries here helped us plan our trip, as well as navigate the city. We will refer back to this book to remember our time in Ireland and again the many photos bring those places back to life.

The DK Eyewitness Travel Guides provide a mix of local information and historical background so

that one can have a greater appreciation of the country one is visiting. Excellent maps that fold out from guide. Good local recommendation for food and accommodations. Good pictures of recommended sites to visit. Overall a very informative travel guide, which enhances the quality of one's visit.

The book contains editing errors. The maps are of mediocre quality. Not up to the standards I expect from this series.

So much information. I will be ready to go on my trip.

DK guides are always the best. We're going to Dublin and environs in the spring, and DK is our bible

Eyewitness guides are always pretty useful and make good reading. This one was helpful on a recent 3-day trip to Dublin.

TRAVEL GUIDE PROVIDES A LOT OF HELPFUL HINTS ABOUT WHERE TO SHOP, ETC.GREAT DAY TRIPS OUTSIDE OF DUBLIN. VERY HELPFUL

simply the best travel books...maps are easy to read and follow, great background information about city/country you are in. don't leave home without it!
