Exactly as described. Very handy size.

Not enough detail for navigating through cities or countryside! The midsize atlas seemed like a good idea since the larger ones can be unwieldy in the car but I instantly regretted purchasing it upon inspection. I definitely recommend the larger versions unless you're planning an interstate only trip. On a recent vacation, many of the smaller state routes that my GPS was recommending weren't on the atlas. It doesn't look like city detail would be much better.

Wanted a atlas incase of emergency. This will work.
