Customer Reviews

"A grand slam all the way!" -- -- School Library Journal "A splendid volume for fans of all ages. a solid hit." -- -- The New York Times

Glad to get this for my grandsons. It is a great book.

The Story of Baseball is quite simply the best book I have ever read on the subject and will appeal to young and old alike. It is very readable and filled with interesting facts and anecdotes about the sport.

I would recommend it for anyone who likes baseball. I would also like to comment on the "misprint". There was a team called the Boston Braves. They moved first to Milwaukee and then to Atlanta.
