Customer Reviews

Baladeva Vidyabhusana's commentary elucidates the deeper meaning of Gita. He has poured condensed form of his deep knowledge of Vedas and Upanishads in this book. I recommend you to read this if you're looking for an authentic explanation of Gita. ISKCON founder Srila Prabhupada has highly praised Baladeva's books and bases his instructions upon the teachings of Baladeva.

I agree with the Vijay's review. This is a great interpretation and commentary on Bhagavad Gita. It helped me to understand it in a different light aside from the Gita that Bhaktivedanta Swami translated and commented upon. In fact, Bhaktivedanta Swami's Gita is dedicated to Baladeva Vidyabhusana. Highly recommended.
