If These Walls Could Talk: Baltimore Orioles: Stories From The Baltimore Orioles Sideline, Locker Room, And Press Box

Synopsis

The Baltimore Orioles are one of baseball's most historic franchises. Through the words of the players, via multiple interviews conducted with current and past Orioles, readers will meet the players, coaches, and management and share in their moments of greatness and defeat. Dempsey recounts moments from the 1983 World Series championship, the rise of Cal Ripken Jr., and the current team under Buck Showalter. Orioles fans will not want to be without this book.

Customer Reviews

The World Series MVP for Baltimore in 1983, catcher Rick Dempsey played 12 of his 24 major league seasons for the Orioles. Dempsey currently co-hosts with Jim Hunter on the Orioles' pregame and postgame shows. A veteran Baltimore sports writer, Dave Ginsburg covers the Orioles and other area pro and college sports for the Associated Press. Cal Ripken Jr. is a Hall of Famer and two-time MVP.

This book offers an interesting perspective from one of the Orioles' greatest catchers. His insight which is based on his rise through the major leagues allows readers to experience first hand what life is like as a big league ball player. Reading this book made me pay more attention to Dempsey's analysis at the conclusion of the Orioles' games on MASN. This is a must read for any Baltimore fan and it brings even greater respect to a man who has much to offer the game of baseball.

I love these books because you get a true insight on your favorite players and inside information that you would otherwise never hear. Great book that you can grab, open up to any page, and have a little fun.

Tremendous insights from a 20 year veteran. Hilarious off the field antics and stories. Hard to put this book down.

Was a good read, nothing spectacular

I read the first half, which is poorly written and disorganized. Then, the language got really blue and he recounted a really disgusting story about a guy on a golf course. I've stopped reading it, and will try to get my money back. What a waste!
