Secrets Of Your Own Healing Power

Synopsis

In this inspirational and highly informative live lecture presented to a group of chiropractic professionals, Dr. Wayne W. Dyer offers his penetrating wit and wisdom on how to develop your own healing powers, as well as that of others. Dr. Dyer emphasizes that the secrets to healing are not somewhere out there, but rather, healing is something that takes place inside each and every one of us, occurring when we connect to our Source and bring Spirit to the disease. He emphasizes that healers need to be able to banish doubt and see their clients as individuals who already possess the capacity to heal themselves. That is, those with health challenges need to have someone in their energy field who truly believes that healing can take place. Dr. Dyer explains how to operate at that higher level where doubt and ego consciousness don't exist; and he also relates fascinating stories based on his own personal life; interactions with kahunas, yogis, and other powerful individuals; and the world of spirituality and alternative healing. --This text refers to the Audio CD edition.

Customer Reviews

After having visited my medical physicians for months with chronic back pain and digestive pain we hit a roadblock. The physicians could find no reason for my medical issues. MRI, of everything you can think of produced no real diagnosis with the exception of a degenerative disk. I decided to try something different and I struck gold. No longer do I take any medications and I am so much more active. My day to day life has changed as well. In short, I am going through a transformation. Dr. Wayne Dyer has taught me a better approach to life.

This cd set mentions how to stay focused through meditation. Could be more detailed.

I have purchased this book on audio and given as gifts too many times to mention! It is one of my most favorite books and I would HIGHLY recommend it and any of Wayne Dyer's materials for self improvement and spiritual growth. Teri LaFaye

I have many of Dr Dyer's books, DVD's and CD's and I always find inspiration and am uplifted by his interpretation of the basic truths. This CD is another sample of his wisdom. I am very pleased.

Thank you for your up to date supply of his works.

This CD is full of information. We have only listened to it once though ,and will listen to it many times . It provides a totallynew approach to your ways of thinking. One example is your past sickness and thoughts along with current sickness and thoughts. It expains how to think of the Now, and the brighter future ahead of you. By Dr. Waynes approach and listeningto the CD, you can cure yourself, and change your thoughts to very positive. This is a must have CD.

As always, Wayne Dyer gives information that is not only important but entertaining. Dr Dyer, shares ideas that at first may sound impossible, however anyone having heard and tried these ideas know they work. I have enjoyed Dr Dyer from his first book, "Your Erroneous Zones" to the presant. "No Excusses" is phenomanal. Do yourself a favor and listen to Dr Dyer, and expect mircles to happen.

It was a gift to my sister & she tells me that she regularly listens to this CD. She has "Rave Reviews" & thanks me for sending it to her.
