Customer Reviews

I must say first this book had the saddest memorial I every read about. I had tears coming reading that part and singing those songs. Nothing has changed with the brothers but shadiness is still

happening around them and their loved ones. I am really liking the ladies but the one secret Ash keeping is super crazy. That ending and sneak peek hurt me lol but I can't wait for September!! Great job!!

Thus book was excellent can't wait for part 3 to come out if you haven't read 1,2 you gotta read it

As crazy as he is, Blaze is my favorite. I already knew he was the psycho that set the house on fire when he heard her moaning. But to push her in the sea though??? I was thinking it lol. Non-stop suspense and excitement. I cannot wait until the next release!

This is a great series I can't wait til part 3 I can't wait until this story unfold I really believe Mack is their brother!

This book will have you on the edge of your sit from beginning to end. The twists are exciting and frustrating at the same time. The an ending of to be continued

Another great book by Latoya Nicole. I love how she makes her characters so relatable and they draw you into them that you can't what to read what happens next.

This book was everything from the beginning to the end. I couldn't wait to turn the page to see what was gonna happen next

Definitely lost track of time and read this book in less than 3 hours
