South Africa's Winelands Of The Cape: From Cape Town To The Orange River

Synopsis

In this truly epic production, renowned South African father-and-son team Gerald and Marc Hoberman, showcase South Africa's wine country as never seen before. Covering all of South Africa's diverse wine growing regions - from Cape Point to the Orange River - the book features 450+ large scale full colour photographs, presents over 50 wine estates, as well as unique accommodation, and restaurants, all with their own fascinating stories to inspire, technical specifications for the connoisseur, and captivating text about the country's rich cultural heritage.

Customer Reviews

Delightful book, I want to go back and revisit! This is a very recently published book and gives an excellent introduction to the South African wine growing regions, many of the vineyards (or wine farms as they say in SA), and the delightful scenery around the Cape. It is a first class production.
