The Secret Heiress (Protection Specialists Book 2)

Synopsis

Finding out she is heir to a fortune shocks Caroline Tully to her core. And to "qualify" for the inheritance, she just has to visit her newfound grandfather's Mississippi home from Christmas to New Year's. Adopted as a baby, Caroline knows nothing about her mother's family; and doesn't realize they can't be trusted. When attempts are made on her life, there's only one man who can protect her. Donovan Cavanaugh; a man who made her lonely heart want to love again. Posing as her fiancé, Don promises to find the would-be killer. But will his protection; and his love; be enough to keep her safe?

Customer Reviews

4 STARSThe secret Heiress had lots of drama, action, some faith, murder mystery, romance & family. It is also a clean read.The plot Caroline Tully was adopted and found out that she was a Heiress but she had to visit with her Grandfather for a week first. Someone tried to kill her. So she hires a bodyguard to keep her safe. She wants to know where she came from.The setting is

Mississippi out in the country. On a old family home. I like Caroline. She is strong, has a strong faith, she is ready to love her family and protect them even if it puts her in more danger. Don is ready to put his life on the line for Caroline but his emotions are a different story. Don suffers from PTSD. He wants to find out who is trying to kill Caroline. It starts off strong and keeps going. I would not like to spend time in that house without power and someone trying to kill me or scare me off. The suspense was good. Till the reveal I was still guessing who the bad guy was. I would read more books by Terri Reed. Publisher: Love Inspired Suspense (January 1, 2012) 224 pages ASIN: B00684C0WI

I was surprised at how this story feel into the guise of an old fashioned mystery. Creepy house included. I kept wondering who the bad guy was. The old time feel in a modern setting was great. There were a few editing problems but not to the point of interfering with fluid reading. I like the fact that the story never gets boring yet is descriptive enough to place you in the midst. Christianity is evident but does not try to make people seem better than real life. This is a complete, stand alone book. No selling the next book here. The quality of the story and intriguing characters is enough to pull you into the next in the series...which I am about to begin. I recommend this story.

Looking for some more protection Specialists book. They are great reading and long enough to give it some good contact.

Another AWESOME book/Series from Terri Reid. So happy to be able to start another series by the same author as the MARY O'Reilly Series. This does have some unexpected twists and the author keeps a very easy glowing read to the story making it an enjoyable reading experience.

Good thriller. I couldn't put this book down and read it in one day. Great way to spend a lazy Sunday.

Read all the Terri Reed I can find. Love her books.

Really a good book. I was enjoyed it from the very beginning. The character development was good but could have been fleshed out a little more. The background story was a little disappointing but interesting. I would have liked to know more about the lives of the deceased characters in the story.
