Leveled Texts For Classic Fiction: Fantasy And Science Fiction

Synopsis

Inspire students' imaginations and teach the elements of fiction using leveled texts! Support your differentiated instruction with this book featuring excerpts from 15 different classic works including: *The Lost World*, *A Journey into the Center of the Earth*, and *The Secret Garden*. This resource is perfect for close reading or small-group instruction because each selection is written at four different reading levels and includes a focus on setting, character, plot, or language usage. These texts can support students' vocabulary development, improve writing skills, foster engagement, and promote creative thinking. Symbols placed in the lower corner of each page represent the reading level range and are designed to help teachers differentiate instruction. Comprehension questions are also provided to complement each reading level.

About Shell Education
Rachelle Cracchiolo started the company with a friend and fellow teacher. Both were eager to share their ideas and passion for education with other classroom leaders. What began as a hobby, selling lesson plans to local stores, became a part-time job after a full day of teaching, and eventually blossomed into Teacher Created Materials. The story continued in 2004 with the launch of Shell Education and the introduction of professional resources and classroom application books designed to support Teacher Created Materials curriculum resources. Today, Teacher Created Materials and Shell Education are two of the most recognized names in educational publishing around the world.
