Indianapolis, IN: A Photographic Portrait

Synopsis

Downtown Indianapolis has been steadily reinventing itself over the past decade to enhance the pedestrian experience. Many of the city's top attractions are now conveniently located in Downtown's scenic White River State Park. Monument Circle, the city's signature landmark, remains the heart of this vibrant city, but the seven cultural districts, each with its own distinct flavor, are not to be missed. Visitors can easily take in the sights by walking or biking on the eight-mile Indianapolis Cultural Trail connecting the neighborhoods. And speaking of flavor, Indy's restaurant scene has it all from casual street food to farm-to-table cuisine to legendary St. Elmo's Steakhouse. In fact, Condé Nast Traveler has called Indianapolis America's Most Underrated Food City. Indianapolis boasts award-winning theatres, art galleries, museums, entertainment venues, sports facilities, and monuments. These are interspersed with the natural beauty of parks featuring wildlife, beautiful foliage, and waterways. And as the seasons change, so does the Indianapolis landscape. Indianapolis may be the Crossroads of America, but it's also a city on the move. Sit back, peruse this photographic portrait of the city by photographer Jason Lavengood, and see for yourself.

Book Information

Hardcover: 128 pages
Publisher: Twin Lights Publishers (May 7, 2017)

Customer Reviews

Jason Lavengood is an accomplished commercial and architectural freelance photographer. While in junior high he became interested in photography, and his passion for it has continued to grow ever since. Jason considers himself fortunate to have spent the last 20 years doing what he loves best-capturing beautiful shots all around the world. A native Hoosier, he's also lived in the Pacific Northwest. Jason and his wife, his high-school sweetheart, currently reside in Noblesville, Indiana with their two, beautiful children.
