# Overlooked Survival Items Part II: 20 More Underrated And Overlooked Items To Have In Your Stockpile For Survival And Disaster Preparedness

## Synopsis

20 Overlooked Survival Items! This book is a sequel to another book I wrote called "Overlooked Survival Items." In that book, I outlined twenty different everyday household items and talked about how those items could be repurposed into a variety of different survival and disaster preparedness uses. In this book, I'm going to do the exact same thing, only with twenty more different items that I didn't cover before! The specific items that we will discuss in this book include the following: Belt, Calendar, Cat Litter, Coffee Filters, Drinking Straws, Egg Cartons, Frisbee, Games, Garden Hose, Glass Bottles, Glow Sticks, Grocery Bags, Hatchet, Q-Tips, Safety Pins, Sewing Kit, Shoelaces, Shower Curtain, Slingshot, Soda Cans. As you scan through this list, you will notice how each of these items are things you probably have in your home already. Soon, you'll find out how each of them will make your survival efforts easier regardless of what catastrophe comes your way. **DOWNLOAD YOURS NOW!**

## Customer Reviews

If you liked the first book in this series you'll enjoy this one as well. Lots of good ideas.

An easy read with some good ideas on how to use everyday items, for survival in the woods. Or during a disaster situation.

Greg's book is a quick read. The information it contains is amazing and it will have you thinking about YOUR SURVIVAL. HOW PREPARED ARE YOU & YOUR FAMILY ? I'm adding these items to a covered 5 gallon bucket (picked up for free).
